CONVEYOR PRODUCTS & SYSTEMS

MHT has vast experience with PC and PLC controlled systems; incorporating transfers, sortation, product tracking and identification. We specialize in intricate manufacturing and distribution systems as well as basic conveyor needs. Our sales force offers top quality lines of equipment known for optimum performance and rugged reliability. Our in-house installation team will install your equipment swiftly, safely and correctly.

UNIT HANDLING CONVEYORS

- Accordion
- Ball Transfer
- Belt
- Belt Driven Live Roller
- Gravity Roller/Wheel
- Lineshaft Driven
- Chain Driven Live Roller
- Chain Transfers
- Transfer Cars
- Turntables
- Sortation Systems

OVERHEAD CONVEYORS

- Continuous Powered Chain
- Power & Free

VERTICAL CONVEYORS

- Box and Pallet Handling

24 VOLT DC CONVEYOR

- Zero Pressure Accumulation

24 HOUR SHIPMENTS!!

MHT offers over 39,000 sizes of powered and gravity conveyors; Lineshaft – Chain Driven Live Roller – Belt Driven Live Roller – Slider Bed Belt – Roller Bed Belt – and Gravity Conveyors. Our 24 hour ship program is the largest in the industry.

CRANE/HOIST PRODUCTS & SYSTEMS ERGONOMIC LIFTING PRODUCTS

MHT is a leader in the application, installation and service of cranes, monorails and ergonomic lifting products. We provide solutions for your application and take total responsibility from start to finish.

CRANES

- Articulated Jib
- Easy Push-Pull
- Jib & Gantry
- Patented Track
- Top Running/Underhung

HOISTS

- Air Chain
- Electric Chain
- Electric Wire Rope
- Hand Chain

MANIPULATORS

POSITIONERS

LIFT TABLES

WORKSTATIONS

MATERIAL HANDLING PRODUCTS STORAGE SYSTEMS

MHT provides a complete selection of quality material handling products adding versatility, durability and reliability for your manufacturing or distribution system.

RACKS

- Pallet Rack
- Push Back Rack
- Drive-In/Drive-Thru Rack
- Flow Rack
- Cantilever Rack

LIFTS

- Mechanical Vertical Lifts
- Vertical Conveyor Lifts
- Mezzanine Lifts
- Hydraulic Vertical Lifts
- Dock Lifts

MISCELLANEOUS

- Mezzanines
- Trucks & Carts
- Containers & Bins
- In-Plant Offices
- Wire Enclosures
- Dock Equipment

CONTROL SYSTEMS

INDUSTRIAL CONTROL PANEL DESIGN AND FABRICATION

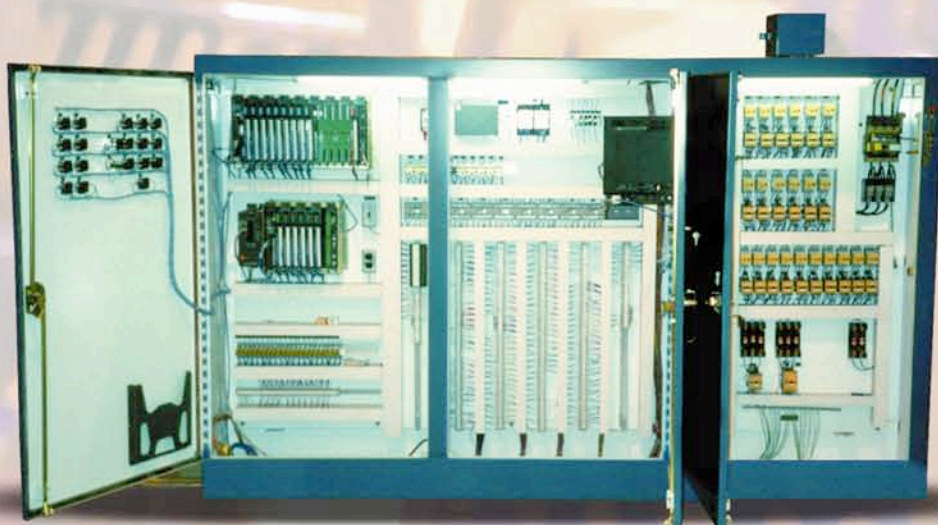

MHT control systems are designed and built to meet the stringent requirements of today's diverse industries. Our systems must be reliable and precise, operating in various environmental conditions. MHT designs and builds electrical and instrumentation control systems for numerous areas of classification including Class 1 Div 1 and Class 1 Div 2. MHT is a MetLab/Underwriters Laboratories 508 listed control panel shop.

SERVICES

MHT offers design, fabrication, installation, programming and documentation of PC and PLC based systems. Implementation of Supervisory Control and Data Acquisition Systems, planning and design of Human Machine Interfaces, Custom Software Development using Visual Basic, C++, SQL and Design & Wiring of Industrial Control Panels.

MHT is experienced in a variety of PC, PLC and Operator Interface development, such as: SquareD - Allen Bradley - General Electric/FANUC - Modicon - Siemens - Wonderware

- Automation of Manufacturing Processes
- Facilities Automation/Site-Wide Integration
- Industrial Process Automation
- Automation of Material Handling Systems
- Control Systems Analysis & Design
- Instrumentation & Controls
- Start-up Calibration & Troubleshooting
- On-Site Maintenance & Service of Instrumentation
- Control Systems Operations & Manual Development
- Operator Training
- Real-Time Software Design & Development
